A LITTLE
CRAZY
RIGHT

IF YOU ARE LOOKING
FOR A WAY TO HELP, WE
SUGGEST A DONATION TO

Making a contribution to Project Share is easy!

Project Share is a donation-based program that **helps qualified* families** with **energy-saving upgrades** to lower utility bills and **stay warm** during the winter.

Yes! It's hot right now **but winter is coming** and we will probably feel the effects of COVID-19 well into the colder months.

Your donation will help a qualified, low-income family pay their utility bill. The energy upgrades will also help keep their bills lower.

Donations are **tax-deductible** and can be one-time or recurring.

Giving is easy. Add a designated amount with your monthly utility bill, noting the donation on the return stub of your statement, or you can call Huntsville Utilities Customer Information Center (256-535-1200) and they will assist you with your donation. You may also donate online on your "My Account" page at www.hsvutil.org.

* The Salvation Army screens potential recipients, determines eligibility and decides who will receive assistance.

Help your neighbor. Give to Project Share.
