to someone in need this season

**Who does your
donation help?**

100%

of your donations help customers.

Your Project Share donation helps utility customers aged 62 or older and/or certified as disabled.

Participants must meet income eligibility guidelines (specified by the Alabama Department of Human Resources).

The Salvation Army screens potential recipients, determines eligibility, and decides whom will receive assistance.

If homeowners meet the qualifications, your donation may be used in the **Home Uplift Program**, providing energy improvements to increase long-term energy efficiency.
