(*Inspection Required)

Temporary/Permanent _____
*\$115.00 temp to perm fee billed on account.
Is there an existing temp pole to remove? Y / N

Permanent _____
Is there an existing temp pole to remove? Y / N

NOTE: Temporary Electric Pole with overhead service will not be set unless a stake is placed at desired location and marked "Electric". If no existing water stub for water meter is available, a stake must be placed for the desired water meter location and marked "Water" before meter will be installed. A new tap fee will be required for all water meter relocations. Before Gas service will be installed the contractor must have site at final grade, trench clear of material, pip stubbed outside building or staked by an HU representative. Once completed, call HU Gas Department at 256-532-8347.
