

**Know your responsibility as a Driver ... IT'S THE LAW!!!**

In 2011, there were **3,193 crashes** in Alabama Highway Work Zones, resulting in more than **850 injuries** and **21 fatalities** (AL Dept. of Transportation).

# Summer Means More Drivers All Day Long

**Work Site Safety Zones**  
**and the Move-Over Law**  
**only SAVE LIVES**  
**If You Pay Attention!**

**OH NO!**

# WASTED WATER!!

Water is a precious commodity.  
**YOU** can help Huntsville Utilities decrease water loss by reporting leaks ... street leaks, meter leaks ... water leaks in your neighborhood.

# Huntsville Utilities needs **YOUR HELP** finding water leaks!

It cost money to treat and distribute your water, and we can reduce costs by repairing water leaks. Help us identify the following types of leaks:

Street Leak

Street Leak

Valve Leak

Meter Leak
