

# **PUBLIC OWNERSHIP**

- **Lower Rates**
- **Community Partnerships**

# Public Ownership Means:

**Lower Rates** - Huntsville Utilities does not reimburse stockholders or seek profit above the cost of operations. This structure, combined with efficient operation and local control, helps Huntsville Utilities maintain rates for electricity, natural gas, and water that consistently remain well below the national average. Huntsville Utilities seeks profit in the form of Customer Satisfaction and Community Service.

**Community Partnerships** - Huntsville Utilities is proud of the community service and fundraising provided by our employees such as donations to the American Heart Association, CASA and Kids to Love. We also collaborate with local community service organizations. For example, Project Share is a partnership with the Salvation Army. Project Share offers winter utility assistance to elderly and disabled customers using donations from utility employees and customers. The Salvation Army screens potential recipients to determine eligibility.

***Huntsville Utilities has been working for and with the residents and businesses of Huntsville, Madison, and Madison County for seventy-eight years. We measure profit in terms of customer satisfaction and appreciate the support we continue to receive from our customers and local organizations.***
